

First Year University Campus Emergency Medicine & Combined EM/Peds Residents 2017-2018

VICTORIA BAIN

Medical School: New York Institute of Technology College of Osteopathic Medicine

Undergrad: Duquesne University

Degrees: BS, Biology

Interests: Cooking, hiking, traveling to new places, camping, kayaking, hula hooping, music (I play the piano), art (painting and drawing), reading, and watching movies. I also enjoy playing with my pets, volunteering at animal shelters, spending time with friends and family, exploring new restaurants, and going to museums in every new city I visit.

BRYSON BENDALL

Medical School: The University of Arizona College of Medicine - Phoenix

Undergrad: Arizona State University

Degree: BS, Microbiology

Interests: Being a dad and husband, cattle ranching, hunting, all types of fishing, watching and playing sports, music (singing and playing piano) and reading.

RAKESH CHOPDE
EM/PEDS

Medical School: St. George's University School of Medicine

Undergrad: University of Maryland, Baltimore County

Degree: BA, Biological Studies

Interests: Cooking, working out, exploring new food options, traveling, and Indian cultural dancing.

REESE DARE

Medical School: The University of Arizona College of Medicine - Phoenix

Undergrad: Arizona State University

Degree: BS, Kinesiology

Interests: Racquetball, weight training, cooking, grilling, the beach, and hiking.

ZACHARY EFFRON

Medical School: Keck School of Medicine of the University of Southern California

Undergrad: Bucknell University

Degree: BS, Business Management

Interests: Electronic music production, surf fishing, fly-fishing, skiing, day hiking, and camping.

CHAS ELLIOTT

Medical School: Case Western Reserve University School of Medicine

Undergrad: University of Pittsburgh

Degree: BS, Biology and Economics

Interests: I enjoy hiking, biking, and weight training. I have used most of my vacations during medical school to explore other NPS properties throughout the country. I am a big P90X enthusiast, I play soccer and golf recreationally with friends. I am also a trivia junkie, and like participating in restaurant/bar trivia nights.

CHRIS EPPICH

Medical School: A.T. Still University of Health Sciences-Kirksville College of Osteopathic Medicine

Undergrad: Brigham Young University

Degree: BS, Exercise Science

Interests: Backpacking, hiking, swimming, snowboarding, reading, and cooking.

HEINRICH FAN

Medical School: The University of Arizona College of Medicine

Undergrad: Arizona State University

Degree: BS, Computer Information Systems and Accountancy

Interests: All things science fiction!! (Favorite author: Margaret Atwood), pragmatic and sustainable global health, "developing world" advocacy, robotics, artificial intelligence, inter-stellar space travel and technology, camping, hiking, skiing, rock climbing, SCUBA, traveling to distant lands and encountering different cultures, unique human interactions, progressive politics, and strategy board games.

ANTHONY FAVALORO
EM/PEDS

Medical School: Ross University School of Medicine

Undergrad: University of New Orleans

Degree: BS, Biological Sciences

Interests: Involvement in my local church, film photography, SCUBA diving, snorkeling, international travel, road trips along the US scenic byways, hiking/camping, kayaking, reading, movies, classic and antique cars, and medical mission work.

RILEY FISHER
EM/PEDS

Medical School: Pacific Northwest University of Health Sciences, College of Osteopathic Medicine

Undergrad: Washington State University

Degree: BS, Medical Science

Interests: Growing up in Alaska inspired a love for the outdoors, where bunny boots and full net mosquito suits are wardrobe staples. Whether it's cross-country skiing, hiking, playing soccer or camping, I am reinvigorated when I'm outdoors being active. If I am lucky enough to do these activities with my family and 10-year-old black lab, Benny, the time spent is invaluable.

GREGORY GASKIN

Medical School: Stanford University School of Medicine

Undergrad: Stanford University

Degree: BS, Science, Technology and Society

Interests: Rock climbing, mountaineering (with ascents of 7 of the "50 Classic Climbs of North America"), mountain biking. Cooking, and baking.

COREY GAUL

Medical School: University of Washington School of Medicine

Undergrad: The University of Montana

Degree: BA, Human Biology

Interests: My favorite activities are skiing and mountain biking. I love to downhill ski, backcountry ski, and occasionally cross-country ski. I am also passionate about backpacking and fly fishing. I also really enjoy traveling and music. I follow college and professional basketball closely, as well as professional baseball and college football.

KEVIN GUYTON

Medical School: Eastern Virginia Medical School

Undergrad: Virginia Tech

Degree: BS, Biological Sciences

Interests: Surfing, surfboard shaping, ice hockey, improving my Spanish, camping, and hiking.

BRITTANY KARLOVICH

Medical School: Arizona College of Osteopathic Medicine of Midwestern University

Undergrad: Arizona State University

Degree: BS, Biology

Interests: I enjoy spending time with my friends, family, fiancé and golden retriever. I also like to stay active by playing soccer, hiking, biking, running and crossfitting. I am always up for trying new adventures and love doing anything outdoors.

HANNAH LANDRETH
EM/PEDS

Medical School: University of Oklahoma College of Medicine -Tulsa

Undergrad: University of Oklahoma

Degree: BA, Spanish Language and Literature, minor is Medical Humanities

Interests: Triathlon competitor, young life cycling club, Tulsa runner track club member, scuba diving, waterskiing, kayaking, hiking, disc golf, fishing, biblical study (OU Tulsa women's bible study founder), global health and medical missions abroad and cooking.

BAILEY LYNN

Medical School: Emory University School of Medicine

Undergrad: Sarah Lawrence College

Degree: BA, Psychology

Interests: I enjoy anything outdoors including skiing, mountain biking, sailing and hiking. I am Open Water, Advanced Open Water, and Rescue Diver SCUBA certified. I am an avid woodworker and have built most of the furniture in my house. I also enjoy any type of puzzle, especially jigsaw puzzles and crossword puzzles.

GARY OLDS

Medical School: Oregon Health & Science University School of Medicine

Undergrad: Portland State University

Degree: BS, Microbiology/Molecular Biology, Science and Biochemistry

Degree: BS, Biochemistry

Interests: College football fan and current season ticket holder for Oregon Ducks. Camping in remote high desert areas with Steens mountain being a favorite destination, hiking, fishing the Columbia River, Emergency Medical Service, Effective transfer of care between EMS and emergency department staff, Coffee, Kurt Vonnegut novels, and watching documentaries.

MIGUEL PINEDA

Medical School: Ohio State University College of Medicine
