

PROGRAM DESCRIPTION

- The Accreditation Council for Graduate Medical Education (ACGME) requires residents perform scholarly activities prior to graduation.
- ScholarQuest (SQ) is the residency research program of the Department of Emergency Medicine (DEM).
- Residents will choose between Research, Education and Clinical pathways.
- There are 2 requirements for residents to complete:
 - Conduct a Research Project/Develop a Curriculum/Design a Clinical Guideline
 - 2-4 residents per project recommended, under the mentorship of at least one DEM faculty member. Students and staff can also be involved.
 - Presentation at the annual DEM Resident Research Forum (RRF) in April.
