

Townhouse for Rent

1010 N. Camino Las Solanas, Tucson 85710

Our 2 bedroom, 2 full bath townhouse (1,033 sq. ft.) is located on the east side of Tucson, just 10 minutes from the base of Mt. Lemmon where the best climbing, biking, hiking, and even skiing can be found. Las Solanas townhouses are in a beautifully landscaped, clean, quiet, safe neighborhood. The commute is approximately a 15 minute drive to each of the hospitals, including UMC (U of A campus), Kino (UMC south campus), Tucson Medical Center, St. Joe's, and the VA. As a graduated EM resident (2010), Greg appreciated the close proximity of the hospitals for his various rotations.
